

**Notice of Job Opportunity Posting Certification**

I certify that the notice has been provided to the affected US workers in the place of intended employment in one of the following manners:

This is a union position. There is a collective bargaining representative for this position. The attached notice has been provided to the bargaining representative that a labor condition application is being, or will be, filed with ETA on or within 30 days before the date the labor condition application is filed with ETA.

Date the notice provided: \_\_\_\_\_

This is not a union position or there is no collective bargaining representative for this position:

Electronic notice, by providing electronic notification to employees in the occupational classification was sent to the affected employees for a total of 10 days, except that if employees of the same occupation were notified directly and individually by email.

Date Electronic Notice Sent: March 2016\_\_\_\_\_

**OR**

Hard copy notice, posted for a total of 10 days on or within 30 days before the date the labor condition application is filed, in two or more conspicuous places in the workplace, where the employer's U.S. workers can readily read the posted notice, including but not limited to locations in the immediate vicinity of the wage and hour notices.
